

Together, let's reconcile illness and work.

A NETWORK OF COMMITTED COMPANIES

to reconcile illness and work

CANCER@WORK

Who are we ?

Created in 2012 in France, Cancer@Work is the first business club dedicated to the subject of cancer, chronic illness and work.

OUR MISSIONS

- 1 Mobilise companies around the Cancer@Work Charter
- 2 Engage them to act and share good practices
- 3 Measure workers expectations and the impact of actions on the scale of companies and society
- 4 Solidarily support the upholding employment of people affected by illness

MEMBERSHIP BENEFITS

Together, let's reconcile illness and work.

ILLNESS & WORK

Urgent action is needed

Cancer@Work

Together, let's reconcile illness and work.

In the United Kingdom :

Today

1/2 people will be diagnosed with cancer at some point in their lifetime (1)

50% of employees with cancer don't talk with their HR about returning to work (2)

1 in 5 people with cancer who returned to work after their diagnosis faced discrimination at work (3)

87% of people employed when diagnosed with cancer say it was important to continue working after their diagnosis (3)

In 2030

+29%

of increase in people of working age living with cancer (3)

By extension, to this must be added caregivers and employees also impacted.
